

## Statement from the ASUSSA President

### Sheikh (Prof/Dr) Shaheed Satardien

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ  
السلام عليكم ورحمة الله بركاته و الله

**My beloved brethren, brothers & sisters,**

**May Allaah SWTA protect us & our families from the fire of Jahannam Aameen.**

It is with great sadness that we are faced with the dilemma of a leadership vacuum in the Muslim community. Since Mandela was released the MJC sold out and capitulated wholesale to the atheist communist party of the ANC who has no respect for Islaam & Allaah SWTA. Nelson Mandela, Ahmad Kathrada, Govan Mbeki, Raymond Mhlaba & Andrew Malangeni all called Walter Sisulu - Allaah. Yes our Rabb & Cherisher Allaah SWTA.

Ebrahim Rasool, Gasan Solomons & Faried Essack who stated that they were confirmed scientific socialists hoodwinked the Muslims with the Call of Islam to communism. When Sheikh Ebrahim Gabriels took over he continued his undaunted support for the ANC. In fact he even went a step further & signed the Amman Accord to embrace the Shee'ahs as Muslims In close alliance with Ebrahim Rasool who went even further by swearing allegiance to Zionism in order to become the SA ambassador to the country which was established by the Illuminati.

Sheikh Igsaan Hendricks also embraced the Shee'ahs & was a bedfellow along with his MJC colleagues of Aftab Haider who is the accursed Shee'ah priest. Qibla who spearheaded the Shee'ah growth in South Africa & created Pagad in order to protect the Shee'ahs and persecuted anyone or killed those who spoke against the Shee'ahs. Sheikh Irfaan Abrahams who was once an anti Shee'ah advocate had to change his direction under Abdul Khaliq Allie who is a close friend of the Shee'ahs. Even the Voice of the Cape removed **Mufti AK Hoosen** from their airwaves bcoz he stood firm against the Shee'ahs who sued **Mufti AK Hoosen** for ten million bcoz he called Babu Jadwat a Shee'ah. Sheikh Irfaan Abrahams exposed the MJC as close friends of the Shee'ahs. Ebrahim Rasool always acted as the scholar of Deen & Sheikh Igsaan Hendricks acted as the political pundit.

The furore about the marriage of Rasool's daughter is totally unnecessary as Rasool has made his political agenda very clear. He now propagates peace but as a Professor of Peace Studies I do not see any peace initiative in his farcical behaviours. He is a well known liar & misleader in this community across the spectrum therefore he's not even trusted by his own.

The Nikaah which was attended by Rashied Umar who never served an apprenticeship in Islamic Studies & Ibraheem Gabriels & Ihsaan Taliep who all suffer from love of this world & dislike of death is another grandiose farce. Please my beloved brothers & sisters, families & friends, elders & youth open ur eyes & let's all appeal to Allaah SWTA to guide us & protect us from these leaders. Aameen
